- **Board Linkage**

Jim Frey introduced the World Café linkage activity to engage Lynden School District staff and board members. The linkage activity was based on the questions: What is successful in the District?; What are areas for improvement in the District?; As we grow, what do we need to be aware of? Staff shared their thoughts on these questions and had good discussion amongst their peers. Board members and Administration thanked the attendees and the feedback for future direction of the Lynden School District.
