

IMPORTANT INFORMATION ABOUT YOUR SEBB BENEFITS EFFECTIVE JAN. 1ST, 2020

****YOUR ACTION IS REQUIRED****

Step 1 – Sign up for an account with Secure Access Washington at <https://secureaccess.wa.gov>

- ✓ This allows you to sign in and enroll with SEBB.
- ✓ You must set up your own account.
- ✓ **Use this account to login to SEBB**

Step 2 – Enroll in Dental, Vision, LTD and Life. These benefits are mandatory. If you do not enroll in your choice of plans, you will be assigned the default plans.

Step 3 – Enroll in a Medical Plan.

- ✓ You can waive SEBB medical, but you **MUST** check the waive box during enrollment.
- ✓ If you do not waive or enroll in a medical plan, you will be enrolled as a SINGLE subscriber (no dependents), on the default plan. No changes can be made after open enrollment ends until the next open enrollment in fall 2020.

Note: you will be required to provide dependent verification for all dependents enrolling in SEBB benefits. A recent IRS tax return that lists all family members is a great option.
